Starting with choosing vendors that represent healthy, safety tested consistent products to ensure quality ingredients are delivered directly to your table. Streets of New York meatballs are prepared and seasoned to perfection for that "old world" delicious taste. The roast beef we serve is ribeye cut, which is known for its moist, delicious flavor. The original 41 year old pizza sauce and marinara recipes are made with the finest grade Italian tomatoes imported from Naples, Italy. Our tomatoes are freshly packed in aluminum free cans with no added salt or preservatives, you will taste the difference. Herbs and spices are custom blended exclusively for use in our recipes. The Streets of New York pizza dough is made daily in our kitchens by our talented kitchen staff. We proudly offer an herb flavor "Gluten Free" crust. The official "Gluten Free Organization" backs us in keeping up with "their standards". We have selected the highest quality 100% real mozzarella cheese based on the perfect melt, color and flavor. We grate and slice our cheeses daily, never purchasing bagged, which contains added fillers and preservatives. The extra effort even trickles down to the Tuscan EVOO (extra virgin olive oil) offered in our restaurants and used in our recipes. Enjoy our traditional Italian cannolis that are prepared by our east coast bakery. The crunchy shell and smooth cannoli cream will make your taste buds sing. Our applauded Italian Dressing has been a secret recipe for 41 years. The robust and zesty dressing flavor will never let you down. Because of you, our loyal guest, that knows and expects quality, taste and value, we are proud to say .95 of every customer dollar goes back into our food, employees, restaurant atmosphere and brand.
